

REMARKS

The Applicant wishes to thank the Examiner for thoroughly reviewing and considering the pending application. The Final Office Action dated February 27, 2006 has been received and carefully reviewed. Claims 1 and 7 have been amended and claim 8 has been canceled without prejudice. Claims 1-3, 7 and 15-17 are currently pending. Reexamination and reconsideration are respectfully requested.

The Applicant thanks the Examiner for taking the time to speak with the Applicant's Representatives on July 26, 2006. The substance of the interview is set forth in the Remarks and constitutes a record of the interview. We discussed amending claims 1 and 7 as presented above to more clearly define the location of the air holes and the resulting path of the air flow. The Examiner agreed that these amendments would overcome the rejections of record. Accordingly, Applicant requests that the Examiner withdraw the rejections.

The application is in a condition for allowance and favorable action is respectfully solicited. If for any reason the Examiner believes a conversation with the Applicant's representative would facilitate the prosecution of this application, the Examiner is encouraged to contact the undersigned attorney at (202) 496-7500. All correspondence should continue to be sent to the below-listed address.

If these papers are not considered timely filed by the Patent and Trademark Office, then a petition is hereby made under 37 C.F.R. § 1.136, and any additional fees required under 37 C.F.R. § 1.136 for any necessary extension of time, or any other fees required to complete the filing of this response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to deposit Account No. 50-0911. A duplicate copy of this sheet is enclosed.
